

Biomedics® 1 day Extra

CooperVision®
Live Brightly.®

Biomedics® 1 day extra is an excellent choice for contact lens wearer who wants to opt for convenience that a daily disposable can offer.

Features & Benefits

- Healthier eyes (replacing your lenses everyday regularly helps to promote good eye health).
- Extremely convenient – just wear and dispose (no cleaning and storage hassles like that of conventional contact lenses).
- Comfortable lens wear experience
